Reports of Society Meetings:

5th April – Airmails - All Members

“I think our Society is dead lucky in the variety of material that our members are able to display, from their various collections. We have had to have three sessions to display all the material brought along, some of which we will be lucky if we ever see it again” advised our Chairman Mr Robert Prentice in giving the vote of thanks. Subjects shown in the course of the evening included:

1. Mr Les Jobbins Airmail services around the world
2. Mr David Hall Portuguese flight covers
3. Mr Patrick Phillips Miscellaneous covers
4. Mr Derek White Rhodesia
5. Mr David Ainsley French Colonies overprinted airmail
6. Mr Robert Hurst Airmail from Antarctic bases.
7. Mr Alan Eggleton Commonwealth airmail covers, GB aerogramme and postmarks
8. Mr Peter Ring GB airmail Coverpex, Portsmouth
9. Mr Steve Fargo Zeppelin, first flight and Gilbert & Ellis covers
10. Mr Brain Cutler Croydon Airport, Catapult flights, Canadian semi official internal flight and Australian covers
11. Mr Edward Walker GB airmails
12. Mr Ian Sherlock Papua New Guinea and Australian airmail covers and letters. Plus the first flight of Tony Airlines Redhill (A toy plane someone left behind at a previous meeting in the hall!)
13. Mr Robert Prentice Newfoundland air letters and a poem

Editor's note: It is surprising nobody thought of Prince Charles – heir (male) to the British throne!!

19th April - Display - Mr Alan Hall

Mr Alan Hall opened his display with a ‘A Day in my Life’ a ‘fun’ topic comprising of first day covers and items posted on the same day as his birthday – 26th July. It was surprising how many postal items Alan had found from around the world on this day and on the variety of subjects.

Although Alan had shown it before, primarily as the subject of a competition entry, next to be displayed was ‘The Blue Helmets’. This is a title sometimes used to describe the United Nations Peace Keeping Force deployed around the globe to help restore calm to the World's trouble spots. The material displayed featured envelopes from the troops, United Nations postage stamps and covers.

A nautical flavour continued the evening's entertainment featuring ships of the Union Castle Line. Postcards, menus and postal stationery of vessels that operated the line mainly between the UK and South Africa were shown.

For the remainder of the evening Alan took us on another trip this time around the Persian Gulf. The display mainly consisted of stamps with the addition of a few covers. Here I can do no better than list some of the middle- eastern countries featured thus:- Bahrain, Qatar and Independent States, Ajman, Eastern Arabia (now part of Qatar), Abu Dhabi, the Trucial States(UAE), Umm Al Qaiwain, United Arab Emirates, Muscat, Muscat a& Oman, the State of Oman concluding with the Sultan of Oman.

“This is the last time you will hear my dulcet tones as Chairman giving the vote of thanks” advised Mr Robert Prentice “as my year in office is now coming to an end”. “*A Day in my Life* is an unusual yet inexpensive theme to undertake and nicely shows what can be achieved with a little ingenuity. A thorough level of background research was evidenced in the writing up of the ‘Blue Helmets’ display covering as it does many

parts of the world, plus political and military history. The Union Castle items made a lovely thematic display with some postcards very difficult to find and again the large amount of research undertaken by Alan was evident. The trip around the Middle East (which included some personal anecdotes from Alan's time spent in the region) rounded off a highly enjoyable evening".

3rd May 2011 - Annual General Meeting:

Mr Robert Prentice our Chairman for the previous 12 Months stood down The Committee was re-elected with the following changes: Mr Robert Hurst (formerly Deputy Chairman) was elected Chairman, and Mr Tony Sanson was elected Deputy Chairman. The grateful thanks of the Society was expressed by many to Robert Prentice for his work during his time in office, in what proved to have been another successful year for the Society. The meeting acknowledged the hard work of the Committee (not least our Secretary Mr Derek White for arranging the programme), those involved in providing refreshments at our gatherings and the generosity of those who donated prizes for the raffle

Reports were given by the office holders on the Committee details of which were recorded in the Official Minutes of the Meeting. A copy of the Society's financial accounts for the year is included with this newsletter.

7th June 2011 - Russia - Mr D Cross

Despite of its size and significance in World history, most members who attended the evening's meeting confessed that they could not remember the last time they had viewed a display of either Russia or the Soviet Union. Mr Cross remedied the situation with a display of 200 sheets taken from his collection showing the stamps of Russia, its transition to the Union of Soviet Socialist Republics and onward, following the collapse of Communism, to become the Russian Federation.

Collectors can view illustrations of the stamps in magazines and catalogues, though some how they never quite capture the subtlety of the design and colour of the original items. The images portrayed reflected the way the government of the country wished to be seen, not only by their own population but by the world at large. Themes included personalities (Royalty, then Lenin), science, exploration (polar and space to name but two), industrial progress (including aviation and airships) and the Great Patriotic War (World War II). Many of the subjects depicted coincided with thematic subjects collected by members of Redhill.

The vote of thanks was given by Robert Hurst.

75th Anniversary Stamp Fair – Tombola Prizes

As part of the Stamp Fair to be held on 14th April 2012, the Committee would like to run a tombola to assist in raising funds for the Society. To run the Tombola we will need prizes. In the run up to Christmas many stores run Special Offers. If you are able to take advantage of one of these offers and donate the item to the Society, your Committee would be most grateful.

Please remember any item for the Tombola will need to have a "Use By" date after 14 April 2012.
